Ordinance on 8th St An ordinance providing for the establishment of grades and the construction of a Sidewalk and Cobble Stone gutter on the South side of Eighth Street between Main and Jackson streets in the incorporated town of Auburn Indiana and repealing all former Ordinances on the same subject and declaring an emergency.
Whereas the Board of Trustees of the incorporated Town of Auburn in the County of DeKalb State of Indiana. are of the opinion that public convenience requires that the sidewalk on the line hereinafter named be graded and planked and a Cobble Stone gutter be constructed on the line hereinafter named and the grades for said Sidewalk and gutter be established as hereinafter provided therefor

Sec. (1) Be it ordained by the President and Board of Trustees of the Incorporated Town of Auburn aforesaid that the owner or owners of the lots and parts of lots hereinafter named shall within 105 days from the taking effect of this ordinance grade and plank the sidewalks in front of and adjacent to said lots with good and sound white oak plank not less than one and one fourth inches in thick and not more than four inches wide. said plank to be placed crosswise upon sleepers of good sound white oak timber not less than three inches in thickness by five inches in width and not more than two feet apart said sidewalk to be not less than ten feet wide and planked on a grade to be established by a competent Civil Engineer acting under the direction of said Board of Trustees. said Civil Engineer shall make and file in the office of the Town Clerk of said Town a report and profile of said grade as established by him which report and profile shall be recorded by said Clerk in the records of said office.

Said sidewalk to be planked and graded along the south side of Eighth Street in said Town ~~and~~ between Main and Jackson Streets in said Town and adjacent to the North side of lot sixty four 64 of the old plat of said Town of Auburn. said lot being owned by John. D. Davis. the North end of lot Twenty nine (29) of the old Plat of said Town of Auburn said lot being owned by Jno. D. Davis Philo. S. Lockwood. Edward Eldridge. and Melinda Eldridge. and the North end of lot Twelve (12) of the Old Plat of said Town of Auburn. said lot being owned by Etna and Ora Huntsman.

Sec. 2. Be it further ordained that the owners of the lots above named whose names are given in section one (1) of this Ordinance shall within 105 days from the taking effect of this ordinance construct a Cobble Stone gutter five feet in width. three feet wide on the side adjacent to the street and two feet wide on the side adjacent to the sidewalk. the south side of said gutter to be adjacent to the North side of the walk provided for in section one of this ordinance to be constructed of Cobble Stone laid in sand on a grade to be established by a competent Civil Engineer acting under the direction of said Board. said Civil Engineer shall make and file in the office of the Town Clerk of said Town a report and profile of said grade as established by him which report and profile shall be recorded by said Clerk in the records of his office

Sec 3 Be it further ordained that should the owners of such lots fail or refuse to grade and plank said sidewalks as required by section one or to grade and construct said gutter as required by section two of this ordinance the Marshall the said town shall forthwith let the grading and planking of said walk and the grading and construction of said gutter to the lowest responsible bidder first giving ten days notice by posting up written notices thereof in three public places in said town *

Sec 4 Be it further ordained that after said work is done and paid for as provided ~~for~~ in section three (3) of this ordinance said Board of Trustees may immediately by a suit in any Court of competent jurisdiction in the name of said town of Auburn recover against the owner or owners of such lot the amount of the cost of such work and upon execution against the property of the defendant the same shall be sold for cash without the benefit of valuation and appraisement laws and from the date of the completion of said work by the Marshall the cost thereof and any damages to which said town may be entitled shall be a lien on the said lot or lots and may be enforced in any Court of competent jurisdiction by an action in the name of said town

Sec (5) Be it further ordained that all former ordinances for the grading and planking of the sidewalks along the south side of Eighth Street in said town and for grading and guttering the street adjacent thereto and establishing grades for said walks and gutter be and the same are hereby repealed.

Sec '6' As Emergency exists for the immediate taking effect of this ordinance the same shall be and remain in full force virtue and effect from and after its passage by the Board of Trustees of Auburn.

* And when said grading is completed and said sidewalks planked and said gutter completed said Marshall shall report the same to the Board of Trustees and the cost of such work shall be audited and paid out of the Treas of said town

I hereby certify the foregoing to be a full true and complete copy of the original Ordinance passed by the Board of Trustees of the Town of Auburn Ind. January 16th 1888

To the Honorable

The Board of Trustees of Franklin Ind.

Whereas Joseph Pfeffer has by his obsequious and faithfulness to duty won from us the highest praise, he having during his services in the Fire Department been always sober and ready for duty and has proven to be the [illegible] in the right place and

Whereas We believe that in employing a man to groom the horses to be purchased for the use of the Fire Department at one more capable of giving general satisfaction than Mr Pfeffer and

Whereas he has said that if the Town will furnish him with stable room for his team he will take good care of the Town team and as full compensation will use his own team to draw the hose cart and hook and ladder truck and whereas it will add much to the safety and convenience of the firemen to have the whole apparatus drawn by horses and

Whereas it will be no additional expense to the Town

Therefore we the undersigned members of the Hoosier Boys Fire Company in view of the liberal offer of Mr Pfeffer ily this premise would ask that the fire team be given into his charge and that we be allowed to so change the hose cart and hook and ladder truck as to be drawn by horses and drive the same together with the Town team at fires

Auburn Ind Feb 22nd 1890

To the Trustees of the town of Auburn

We the undersigned citizens of Auburn and residents of 11th Street in Eleventh respectfully petition your honorable body to cause to be located an Electric Light at the Junction of 11th Street and Van Buren Street. 11th Street has been left in total darkness yet there are more business men and women living on this Street who are compelled to be at their place of business after dark than any other Cross Street in the city and nearly all residents on this Street are old tax payers and worthy of attention. We therefore most earnestly request favorable consideration and a light placed at the point designated

Ordinance Concerning the repairing of Sidewalk

An ordinance concerning the repairing and rebuilding of sidewalks

Sec 1 Be it ordained by the Trustees of the Incorporated Town of Auburn in DeKalb County in the State of Indiana That each and every ordinance heretofore passed or which may hereafter be passed by said Trustees for the grading paving and planking of sidewalks along any streets within said Town shall be and remain a continuing ordinance for the purpose of keeping and maintaining such side walks in repair according to the original specification as to width, height of grade and the material of its construction

Sec 2 The Marshal of said Town shall have general supervision of such sidewalks in said Town and the several Trustees of such Town shall have special supervision of such sidewalks in their respective wards and whenever any such sidewalks shall become dangerous or out of repair it shall be the duty of said Marshal to notify in writing the owner or occupant of the lot or part of lot adjacent to such dangerous or defective sidewalk to repair the same within ten days from the receipt of such notice and if in the opinion of the Trustee of the ward in which such defective or dangerous sidewalk may be and the Marshal of said Town that the same can not be repaired but that a new sidewalk is necessary then said Marshal and Trustee of such ward shall notify the owner or owners or occupant or occupants of lots adjacent thereto to remove such old walk and construct a new one in all respects as to width height of grade and material as was required by the original ordinance within thirty days from the date of the serving of such notice copies of such notices with the proof ~~thereof~~ of service thereof shall be filed with the Clerk of said Town Provided such owner may pave the same with good hard ~~brick~~ brick or with cement instead of plank

Sec 3 Should the owner or owners or occupant or occupants of the lot or part of lot adjacent to any such dangerous or defective sidewalk fail or refuse to repair the same within the time required by such notice such Marshal shall immediately cause the same to be repaired according to such original dimensions and specifications and shall report the cost of such repairs and the service of notice to said Board of Trustees for auditing

Sec 4 Should the owner or owners or occupant or occupants of the lot or part of lot adjacent to any such dangerous or defective sidewalk fail or refuse to rebuild or reconstruct such side walk within the time required by such notice such Marshal shall cause the same to be so rebuilt or reconstructed according to sections 3 and 4 of the act of the general Assembly of the State of Indiana in force February 14 1889 being sections 3354 and 3360 of the Revised Statutes of 1881 and report the cost thereof as required by said last named sections and which cost of such rebuilding and reconstruction and the cost of repairing such sidewalk as provided for herein shall be recoverable as provided for in said section 3360 of said revised statutes Continued

Sec 5 The notices herein provided for to be served on owners of lots shall also notify such owners that said Town shall hold them liable for any and all damages accruing to any person by reason of such defective walks and such owners failure to keep such walks in repair

Sec 6 Whereas an emergency exists for the taking effect of this ordinance the same shall be in force from and after its passage

C. C. Walter vs Auburn Opinion of Town atty

To the Board of Trustees of the Town of Auburn

You have submitted to me the account of C. Auditon Walter against the Town of Auburn for making the Tax duplicate of the Town of Auburn for 1890" and ask my opinion as to the legality for the services rendered as therein named. As I understand the law and the manner in which the Town taxes are collected there is no seperate Town Tax duplicate made at all by any one. And if he did make such Tax duplicate for the Town when there is no law for making it, and no law for you to order it. I think the Town is not liable. But I think he does not mean to say that he made the Tax duplicate for the Town ~~[illegible]~~ but rather that he added the several town levies to the levies made for Township, Road, School, County and State purposes and with these total levies he computed the entire taxes chargable against the property and property owner in Auburn and that this is the service he is seeking to recover for. By Sec 3363 & 3364, R. S. 1881 which became a law in 1863 it was contemplated that the Tax

over

duplicate of Towns under that act which were made by the Town
upon an assessment made by a Town Assessor. Might it be
Co Auditor and by him entered upon his Tax duplicate, and that he
shall be allowed and paid the Town the same compensation as is
paid by the County for like services. In 1879 a law was passed
abolishing the office of Town Assessor and the assessment made
Township Assessor establishes the assessment for taxation for
purposes. The mere calculation and setting down as the Tax duplicate
an assessment of $1000 at at $ 2.75 on the $ 100 in which is included
100 cents of Town levies, is not any greater labor than to omit the levies
and make the computation for the other levies which would be $1.75
on the $100. The extra labor to the Auditor I think in after collections
have been made in distributing and paying to the Town its proper
share of the tax collected
The act of 1853 says he shall be paid the same compensation as is
paid by the County for like services at that time Co Auditors were
paid so much per 100 words for making Tax duplicate - But at the
same session at which the office of Town Assessor was abolished
the legislature repealed the law giving Co Auditor fees for making tax duplicate
for the State, County and Township Taxes and gave him a salary
See secs 6707 & 8 By neither section nor the one following do I find
any authority for his charges for the service mentioned
By sec 2 acts of 1883 being sec 1970 Elliott's Suppl it is provided that the County
Officer shall Tax charge as services & any fee & except such as
is plainly specified in the above acts of 1879 in regards to the Auditor's
salary &c The provision in this sec 2 is only a reenactment of the
law of this State for more than 60 years as shown by the decision of
our Supreme court commencing with 2 Blackford 355 - Nov 1830
and down to June 1890 The rule is and has been always been in
this State that no officer can receive pay for services rendered
by him unless there be a statute allowing it to be done
This can be substantiated by more than twenty decisions of our
Supreme Court. The Supreme court has decided over and over again when
a fixed salary is provided by law and certain specified fees and designated
the officer can rightfully claim no other compensation 92 Ind 80 &c
It may be claimed that the claimant is a County officer paid by the
and that the service he has rendered for the Town and therefore the Town
shall pay for the service. I answer that the Town is one of the political
instrumentalities of our system of government. The same a Township and
County - and if his salary is held to cover only for service rendered the
County and that he should be paid for service rendered any other body
then he could charge for adding to the tax duplicate the levies for
Township Road Bridge Special School and the several levies made
by and for the State In Wright vs Brand &c 98 Ind 88 in a case
where by law prior to 1879 the Auditor was allowed fees in regards
to free gravel roads the service was rendered after the salary act of
1879 was in force The court held that the act of 79 repealed the former
act in regards to his fees in free gravel road matters

Continued on next page

Consequently I conclude that the salary act of 1879 repeals the act in regards to his fees under the above named act of 1853 which is section 3354. R.S. 1881 and that the claimant is not entitled to the allowance asked

Petition of A. McIntyre et. al.

To the Honorable Board of Trustees of the town of Auburn in DeKalb County, Indiana.

We the undersigned citizens and resident taxpayers of said town being familiar with the geography location of building and the occupations of the inhabitants of said town and being fully convinced after a careful examination of all the surroundings that to remove the Electric light from the corner of 5th and Railroad streets would be a great mistake and would be against the best interests of the inhabitants and travelers in the west end of said town do now and hereby most earnestly protest against such removal. and respectfully petition your Honorable Board to reconsider and reverse your action ordering such removal

Report of Aud. Com.

To the Board of Trustees of the Town of Auburn County of DeKalb State of Indiana

We the undersigned a committee appointed by you to audit the record and accounts of the Treasurer Clerk and Marshal of the said Town of Auburn from May 12th 1896 to May 12th 1897 do make the following report of our examination to the official services of said Town Officers as follows;

The matter of Thomas H Abbott Ex Treasurer has been released as uncollectable by authority of the Town Board.

We find the account of Charles W L Jones Town Treasurer in excellent condition and his business methods has essentially assisted our investigation of his book

During his two years ending May 12th 1897 Mr Jones has received and disbursed on account of the several funds as follows

Fund.	Received.	Expended.	Cr. Fund
Municipal	$6926.82	$6501.52	$425.30
Road.	2194.70	2174.86	19.84
Add'l Special	3560.49	3552.25	8.24
Totals	$12682.01	12228.63	$453.38

We have examined and compared all allowances ordered by the Town Board, as appear on record, made by the Clerk of the Town of Auburn and find that no discrepancy exists between such allowances and the orders issued for payment. The Clerk has not received any money from any source and no charges are debited to said account. By authority of the Town Board, the Clerk has placed sidewalk claims aggregating $150.84 in the hand of E. L. Hartman Town Attorney for collection.

Clinton Headley Town Marshal from May 1st until in November of the same year received

For licenses issued sundry Persons	$8.15
" Team hire and hand	2.00
" Lumber sold	2.35
By same paid to Town Treasurer	$12.50

Joseph Pfeffel Town Marshal from Nov 1890 to May 12th 1892 Dr

To Licenses issued to sundry Persons	$8.00
Cr By same paid to Town Treasurer	$8.00

On book of Town Treasurer we find him charged with $10.20 on account of tile said to by Newton Gilbert but can find no authority for his purchase of any tile in the records of proceedings of the Town Board. We recommend that the matter be looked up with a view to proper record and that hereafter all disposal of town property be made only on order of said Town Board.

Title. Ordinance to compel the paving of side walk with stone cement and the building of stone gutter on the south and east side of the public square in the Town of Auburn DeKalb County State of Indiana

Whereas in the opinion of the Board of Trustees of the Incorporated Town of Auburn, DeKalb County State of Indiana public convenience requires that side walk on the south and East side of the public square in the said Town be paved with cement stone and gutter constructed on the outside of the same.

Sec 1 Therefore Be it ordained by the Board of Trustees of said Town that the side walk on the south and East side of the public square be paved with cement stone by the Board of Commissioners of the county of DeKalb which side shall be at least Eight feet in width and to be what is commonly known as a cement stone walk of such material as is being used in cement walk on Main st in said Town and of which the sidewalk on the west and North side of said square are paved and so constructed as to be as durable as such cement walk can be made Also that there be constructed by said Board of Commissioners a stone gutter of a reasonable and reflective width in a substantial and workmanlike manner and so as to properly shed and conduct the water that may flow into or through the same

Sec 2 Said side walk and gutter shall be completed in the manner and of the material aforesaid by the day of 1892 by said Board of Commissioners and in case of refusal or failure of said Board to do so the Marshal of said town shall proceed to cause the same to be done according to the provisions of this ordinance and as authorized by section 3359 and 3360 ~~and 3360~~ of the Revised Statutes of 1881 of the State of Indiana

Sec 3 Whereas an emergency exists for the immediate taking effect of this ordinance it is ordained that the same shall be in full force and effect from and after its passage.

West end lot No. 33, Kuhlman's 1st addition, owned by Susan Foltz.

East end lot No. 40, Kuhlman's 1st addition owned by David Thomas.

SEC. II. And it is further ordered and ordained by said board of trustees that the sidewalks along the ends and sides of said lots and parts of lots above specified shall be by the owners of said lots or parts of lots excavated or filled as the case may require and that the planking or paving required by this ordinance shall be placed so that the surface thereof shall be on the true grade with the street and alley crossings and the inner side or edge thereof one foot from the ends or sides of said lots or parts of lots respectively, and to be five feet wide except on the south ends of said parts of lots on 8th street owned by P. J. Lockwood and Frank A. Hoff, above described, where said planking or paving is to be 8 feet wide.

To plank said sidewalks where the same are to be five feet wide, there shall be used four stringers, and where same is to be eight feet wide five stringers to be laid lengthwise with said streets, of live oak timber not less than 5 inches wide and 3 inches thick, to be set on edge and earth to be graded up on the sides of the stringers so as to embed them therein where it is practicable to do so. The plank must be of sound oak timber not less than 1½ inches thick and not more than 4 inches wide to be firmly nailed cross-wise on said stringers with two ten penny nails at each bearing and within four inches of each end of each plank so that the end of no plank shall protrude more than two inches over the stringers.

SEC. 3. All of said planking and improvement of said sidewalks shall be completed in the manner aforesaid by the 20th day of September, 1892, and in case of the refusal or failure of any owner of owners of said lots or parts of lots to so complete said planking and improvement as in this ordinance required, within said time, the marshal of said town shall proceed to cause the same to be done as in this ordinance required and as authorized by sections 3,259 and 3,260 of the Revised Statutes of the state of Indiana, 1891.

SEC. 4. It is further ordered and ordained that this ordinance be published in one of the public newspapers in said town at once and that it shall be in full force and effect in ten days after such publication.

Passed and adopted by said board in regular session this 15th day of August, 1892.

of Board of School Trustees showing need for the erection of a School House.

Now comes the Board of School Trustees of the Town of Auburn and presents and files their report and petition showing a necessity for the erection of an additional public School Building in said Town and the necessity for issuing Bonds of said Town by this Board for that purpose and asking this Board to raise the funds for the erection of such building by the issuing of such bonds. Which Report and Petition is as follows

To Wit:

State of Indiana }
DeKalb County }

To the Board of Trustees of the incorporated Town of Auburn in said County

We the undersigned School Trustees of said Town of Auburn respectfully represent and report to said Board of Trustees, that the public School of said Town are overcrowded and that the present School building in said Town cannot be arranged to accommodate comfortably all that now attend school in said Town much less to accommodate all who would attend and are legally entitled to attend the public School of said Town were their more school house room. That after careful consideration by the undersigned as the Board of School Trustees of said Town of the needs of said Town for further public school building or buildings we as such Board have come to the conclusion

that there is a public necessity for, and that the public interests will be best subserved by the erection of a new school building suitable for the Grammar and High School Department of the public schools of said Town and that such a building should be erected as soon as practicable on the public school ground now occupied in part by the present High School building. Such building to be two stories high with a basement of reasonable high to occupy a ground space about 82 x 62 feet to be heated with some good modern appliances for heating with warm air or steam. The first and second stories to contain at least five rooms, superintendants room chemical laboratory room library room cloak room &c &c

That upon careful consideration and inquiry we estimate that the cost of such a building in the main with all the necessary appliances for safety and comfort for the uses and purposes intended as aforesaid will not exceed the sum of sixteen thousand dollars $16000.00 but will closely approximate that sum if not reach it and that it will be necessary for your Honorable Board of Trustees of said Town to provide about that sum but not to exceed the sum for the purposes of the erection of said building and for the necessary appliances thereto to subserve the purposes for which it is intended as aforesaid. That the undersigned as such Board of School Trustees have no means or funds for the erection of a building for school purposes and we pray that your Honorable Board as Trustees of said Town may provide the funds for the purposes aforesaid by the issuing of the Bonds of said Town to raise such funds as authorized and provided by Law.

Report of School Trustees of Auburn Ind.

Auburn Ind. Mch. 20th 1893

To the Hon. President and members of the Board of Trustees of the Town of Auburn Indiana

We, the School Trustees of the Town of Auburn Indiana, hereby respectfully upon Oath represent and report to your Honorable Board, that the present school building of this Town is altogether insufficient for the needs of such Town and that the best interests of the Town require the erection of a school building for the use of said Town, and that the estimated cost of such school building is Sixteen Thousand ($16,000.00) dollars, and that we have not the funds at our command with which to erect such building therefore we respectfully recommend and request Your Honorable Board to pass an ordinance authorizing the erection of such building and the issue of school bonds in the sum of Sixteen thousand ($16,000.00) dollars in behalf of the school Town of Auburn in order to raise the necessary funds for the erection of the required building as aforesaid, on the ground now occupied in part by the public High school building in said Town.

Report of Auditing Committee

To the Town Board of Auburn, DeKalb Co. Indiana

We the undersigned by you appointed an Auditing Committee to audit the accounts of the Treasurer, Clerk and Marshal of the Town of Auburn from May 12th 1892 to Mch 26th 1893. submit the following report from the book records, papers and vouchers, relating to the official services of said Town officers

We have found the accounts of Charles H. G. Foster carefully and accurately kept. He has received and disbursed during the period examined on account of the three funds under his control as follows:

Funds.	Recived	Disbursed	Balance
Municipal	$6531.48	$6,059.76	$471.72
Road	1547.87	1518.27	29.60
Add'l Special	375.09		375.00
Totals	$8,454.44	$7,577.98	$876.46

U. A. Rant Town Clerk received

For Town Licenses issued	$56.00
" sidewalk claims	19.75
and books show paid Town Treasurer	$75.75

Jos Heffel Town Marshal collected

Account of Licenses	$15.00
Credits by same to Town Treasurer	$15.00

We have omitted from amount of assets sidewalk claims originated years ago and of doubtful value A Note given by Trout & Butt in 1888 for $31.16 is in hands of the Town Treasurer to which we call your attention We recommend that the Marshal be required to keep an account of money received from road work and all other sources. The committee has no way of passing upon the accounts of the Marshal as the business has been done

The Postal Telegraph Cable Company presented the following Petition to the Board to Wit:

Chicago Ill. June 1-1893

To the Honorable Board of Trustees of Auburn Indiana

Gentlemen:

The Postal Telegraph-Cable Company being desirous of extending its lines from Auburn to Ft Wayne Indiana respectfully ask permission to construct, and maintain, a line of poles and wires on and along the following streets of the City of Auburn Ind.

On Cedar Street, South from its present office, to the Wabash Railroad grounds; thence West to main street, or to what is commonly known as the Fort-Wayne road; thence said road to City Limits, said line to be constructed of good material, and in a substantial manner, the poles to be located under the direction of the proper City Official, and so as to avoid obstruction to travel.

On Cedar Street, where the Western Union Company has a line of poles on one side, and the Fire alarm poles occupy the other side of the street, we will, to avoid a multiplicity of poles, transfer the Fire-Alarm wire to our more substantial line of poles and remove the old poles at our expense, if allowed to do so.

Your early action on this petition is respectfully requested

Very Respectfully Postal Telegraph-Cable Company
By L. L. Parker Gen. Supt.

I hereby certify that the above is a true and complete copy of same presented to the Board of Trustees

Attest: [illegible] Clerk

In pursuance of the order of this Board at its last session the town attorney reported the following ordinance for the issuing of the bonds of this town in behalf of the ~~town~~ school town of Auburn for the erection of a new school building in said town to wit;

An Ordinance providing for the issuing of town bonds for the purpose of enabling the school town of Auburn Indiana to erect a school building within said town

Whereas, the school trustees of the school town of Auburn Indiana have heretofore filed their report under oath with the Board of Trustees of the town of Auburn Indiana showing that the present school buildings of this town are altogether insufficient for the needs of such town and showing that they have not the necessary means to erect a suitable commodious and necessary building for said purpose and

Whereas, it ~~is~~ further appears that the school trustees of said town cannot erect and complete such necessary and suitable building without an expense and cost of at least Ten thousand ($10,000.00) Dollars over and above the present revenues of said school town which can be applied to that purpose therefore

Section 1 Be it ordained by the Board of trustees of the town of Auburn Indiana in pursuance of the statute in such cases made and provided that authority is hereby given to the said school trustees to erect a suitable school building on the grounds now occupied in part by the High School building in said town and that bonds in behalf of said school town of Auburn be issued for that purpose to the amount of Ten thousand ($10,000.00) Dollars said bonds to be issued in denominations as follows to wit;

One for $1,000.00 due in 10 years from its date
One for $2,000.00 due in 11 years from its date
One for $1,000.00 due in 12 years from its date
One for $2,000.00 due in 13 years from its date
One for $1,000.00 due in 14 years from its date
One for $2,000.00 due in 15 years from its date
One for $1,000.00 due in 16 years from its date

All to bear interest at the rate of six per cent per annum, payable semi-annually, have interest coupons attached thereto for the installment of interests and both interest and principal shall be made payable at the

First National Bank of Chicago Illinois.
The said Bonds shall be numbered from one to seven inclusive, be issued under date of July 1st AD 1893 and the principal shall be made payable as aforesaid

The said Bonds shall be signed by the President of the Board of Trustees and Town Clerk under the corporate seal of the Town of Auburn, and the said coupons shall be signed by the Town Clerk.

Section 2 The Board of Trustees are hereby authorized to negotiate and sell said bonds and the money realized from said sale shall be paid to the said School Trustees of the said School Town of Auburn, to be used for the erection and construction of said building in their compliance with Section 4489 of the Revised Statutes of 1881 of the State of Indiana

Whereas an emergency exists for the immediate taking effect of this ordinance, it shall therefore be in force from and after its passage.

Passed and adopted by said Board of Trustees at its regular session this Fifth day of June AD 1893

Special Meeting July 11-93.

The Board met in special session in pursuance of Notice to each member by the President for the purpose of hearing the Report of the Town Clerk as to having caused to be prepared and printed and signed the bonds for building public school building ordered issued by the Ordinance passed June 5th 1893 and amended July 5th 1893, and to consider the sale of said bonds and any other matters connected therewith that might come before the Board.

The Clerk reported that he had caused said bonds to be prepared and printed as directed by said Board, and that the same had been duly signed by himself as such Clerk and the President of the Board, and presented said bonds to said Board for inspection which bonds and the action of said Clerk and president relative thereto and in signing the same are approved by the Board.

Said Clerk further reports to the Board that he had made efforts by correspondance and otherwise to find a purchaser for said bonds but none would accept them at their full face value except Wm H McDutch of Auburn. And the President also reports to the Board that the only opportunity he could find for sale of said bonds at their face value was the offer of said Wm H McDutch who had

offered to take them at their full face.
Said McDutch being present stated to the Board that he was willing to take them on the terms above stated
And therefore the Board being satisfied that the offer of said McDutch is the best them can be procured, ordered the president to sell to said McDutch all of said Bonds being ten in numbered of the denomination of one thousand dollars numbered from one to ten inclusive for the sum of Ten thousand dollars, and upon such sale to immediately turn over the proceeds thereof to the treasurer of the school trustees of said town for the purpose for which they said bonds were issued,
After which the said President further reported that he had so sold said bonds to said McDutch for said sum and turned over the proceeds thereof to wit Ten thousand dollars to M Boland treasurer of said Board of school trustees who executed his receipt therefor and that said school trustees also had executed their bond to the state of Indiana approved by the County Auditor with W B Brown John W Baxter and H R Culbertson as sureties for the faithful application of said funds to the erection of such school building as is provided by law and he presents said receipt and bond all of which is approved by this Board.

Receipt to J E Eusley from M Boland School Treasurer

School Trustees Bonds.
Know all men by these presents that we Michael Boland, Edward Baker and Richard Baxter School Trustees of the School Town of Auburn ~~Indiana~~ DeKalb County State of Indiana and W B Brown H R Culbertson and John W Baxter do hereby jointly and severally acknowledge ourselves bound unto the state of Indiana in the sum of Ten thousand dollars ($10,000) for the payment of which we jointly and severally bind ourselves our heirs executors and administrators

by these presents
Witness our hands and seals this 10th day
of July AD 1893
Provided however and the condition
of the above obligation are that whereas the
Board of Trustees of the Town of Auburn, said
County have in pursuance of an ordinance
passed June 5th 1893 by said Board and
amended July 5th 1893 ordered bonds of
said town to be issued and sold to an
amount in the aggregate of Ten Thousand
dollars (10,000) for the purpose of enabling said
School Town of Auburn by its said Trustees, to
erect an additional public school building
in said town, and whereas the said Board
of Trustees of said town are about to sell said
bonds and pay over to the said School Trustees
the proceeds thereof from time to time as said
bonds may be sold, to enable said School Trustees
to erect such public school building:
Now therefore if the said School Trustees shall
faithfully and honestly apply to the purpose of
the erection of such school building, all
money or moneys that may be paid over to
them or which they may in any manner
receive from time to times as the proceeds of
the sale of said bonds or any of them, then
this above obligation shall be void, else to be
and remain in full force and effect in law.

Notice of Petition to Annex Territory to the Town of Auburn.

Notice is herby given that there will be a petition presented to the Board of Commissioners of DeKalb County, State of Indiana, at their regular June session, 1894, by the Board of Trustees of the town of Auburn, said county, praying said Board of Commissioners to annex to said town the following territory contiguous thereto, cosisting of four tracts of land situate in said county, respectively described as follows, to-wit:

1st. A part of the northeast fourth of the southwest quarter of section 29, in township 34, north of range 13 east, described as follows:

Commencing at the northwest corner of Parks' addition to said town of Auburn, thence east 426 feet, to the center of the Auburn and Waterloo road, thence north twenty degrees east 721 feet along the center line of said road, to the east and west center line of said section 29, thence west upon said section line 552 feet, to the northwest corner, of the northeast quarter, of the southwest quarter of said section, thence south 596 feet upon the west line of said northeast quarter, to the place of beginning, containing 7.89 acres, belonging to Malinda Barclay, Julia A, Bard, Oliver Grogg and Nellie Lower.

2nd. A part of the northeast quarter of section 31, in township 34, north of range 13 east, described as follows:

Commencing 33 feet south of the northeast corner of said section 31, thence west 767 feet, thence south 24 degrees west 470 feet, thence east 958 feet, to the east line of said section, thence north on said section line, 429 feet to the place of beginning, containing 8.49 acres, belonging a part to Philip Flake, a part to Eliza J. Gibson and a part to Lake Shore & Michigan Southern Railway Company.

3rd. Commencing at a point 274 feet south of the southwest corner, of the northwest quarter, of section 32, in township 34, north of range 13 east, thence east 310 feet to the southwest corner of Sprott's addition to said town, thence north 493 feet, to the northwest corner of said addition, thence east 309 feet, to the west line of said section, thence south 493 feet to the place of beginning, containing 3.40 acres, belonging to Elizabeth McCune.

4th. Commencing at a point 309 feet west, and 230 feet north, of the southwest corner, of the northwest quarter, of section 32, in twnship 34, north of range 13 east, at the southeast corner of S. W. Ralston's addition to said town, thence north 621¾ feet, to the south line of McIntyre's addition to said town, thence east 262 feet to the west line of Spencer's (western) addition to said town, thence south along said line 620½ feet, thence east 263 feet, to the place of beginning, containing 3.75 acres, belonging to Rosa Shull.

By orders of the Board of Trustees of the town of Auburn,

JOSEPH E. ENSLEY President of Board.

U. S. RAUT, Town Clerk.

4th Commencing at a point 309 feet west and 220 feet north of the south west corner of the northwest quarter of section 32 in Township 34 north of range 13 east in DeKalb County, State of Indiana at the southeast corner of C. W. Walters addition to said Town. Thence north 621¾ feet to the south line of McDaniel's addition to said Town. Thence east 262 feet to the west line of Spencer's (western) addition to said Town. Thence south along said line 620½ feet. Thence east 263 feet to the place of beginning, containing 3 75/100 acres.

A plat of each of said tracts of land of which the above is an accurate description is herewith filed, and presented to your Honorable Board. Your petitioners assign as reasons why said several tracts of land should be annexed to said Town

1st That it is necessary for the accomodation and growth of said Town

2nd The limits of said Town as they now exist give inconvenience to the citizens and officers of said Town and also makes the burden of taxation unequal.

3rd Persons residing within the said territory proposed to be annexed, have the privileges and benefits of said Town for the school purposes and it is but just that said territory and persons residing thereon should be subject to tax for the support of the schools of said Town in like manner as obtains in the territory now within the limits of said Town

4th That ~~the~~ said territory proposed to be annexed is settled and requires better municipal control, and better police supervision, for the peace and good order of said Town, than can be secured without municipal authority over the same.

5th That highways run from the country through or long said several tracts of land respectively up on which there is much travel requiring them by reason of such amount of travel to be kept in better repairs than they are kept in or can be without municipal authority and control over the same

6th That the corporate limits of said Town now bound said first described tract of land on three sides the said second described tract on two sides the said third described tract on three sides and the last described tract on four sides, and that there are streets extending through the present corporate limits of said Town along each of said several tracts of land and public convenience requires that said Town should have control over the streets

Along and in part on said several tracts of land, as well as the public good and safety and for the good order of said Town.

7th That the inhabitants of said territory sought to be annexed, enjoy the benefits and privileges of living within said Town, without sustaining their just share of the burdens thereof as shared by the citizens living within the present limits of said Town, although their lands are greatly increased in value by their proximity to said Town.

Your petitioners hereby authorize the attorney of said Town to present this petition to your Honorable Body, and pray that you will annex said territory to said Town and extend the jurisdiction of said municipal corporation over each of said tracts of land.

Approved and adopted by the unanimous vote of said Board of Trustees, in regular session April 2nd 1894

It is also ordered, that the Town Clerk under the direction of the Town Attorney, give notice of the intention of this Board to present said petition to said Board of Commissioners, at their next regular June session 1894 by publication in the Auburn Courier of this Town and also to serve a copy of such notice upon all the owners of either of said tracts of land, who are resident of this County All to be done for a period of at least 30 days, before the said June session of said Board of Commissioners. That the Town Attorney present said petition with a copy of such notice, and proof of publication and service, to said Board of Commissioners at their said meeting, and produce such proof before such Board, as he may be able to do, to secure the annexation of said several tracts of land to said Town and J. J. Van Auken a Practical surveyor is requested to prepare an accurate plat of each of several tracts of land to be filed with said petition and file the same with the Town Clerk at the next meeting of this Board,
